

PUSHING BOUNDARIES 

EXTRAORDINARY STAYCATION LOCATION

For obvious reasons, staycations have been all the rage these past 12 months and we think The 25 Boutique B&B in Torquay might well be the ultimate 2021 staycation location.

It's not easy winning awards in the hospitality business and The 25 has just won Visit England's Gold award for 2020 B&B of the Year off the back of also bagging TripAdvisor's Best B&B in the World for two years running (out of almost a million contenders). Owners Andy and Julian Banner-Price, plus their

miniature schnauzer Patsy, can take a very well-deserved bow.

Forget Torquay's associations with a certain B Fawley, The 25 is an exceptional five-star B&B that boasts six individually designed bedrooms (zebra-striped wallpaper anyone?), each stylishly decorated and boasting in-room comforts such as Netflix, a Nespresso coffee machine and Amazon Alexa for the room controls. All that just a short walk from the seafront – what more could you want from this year's UK break?
