PRESTIGIOUS BEDDING FOR A PRESTIGIOUS VENUE

The Fine Bedding Company has recently been specified in the refurbishment of The 25 Boutique B&B – a luxury five-star B&B situated in Torquay, Devon, that has been given an AA Gold Award.

Having spent the last 18 months meticulously renovating all six of the B&B's guest rooms, owners Julian and Andy wanted to make sure the quality of guests' sleep reflected the revamp.

Impressed by the feel and quality of The Fine Bedding Company Hotel Division's products during a stay at another guest house, Andy and Julian opted for the company's Boutique Silk range of synthetic pillows and duvets.

The duvets and pillows from this range contain Smartfil, a unique, non-allergenic, multi-layered fibre filling which is manufactured in-house and available exclusively from The Fine Bedding Company.

Smartfil's special silicone coating allows the duvets and pillows to revive and recover their form

like new every day after plumping up and also after regular and repeated washing. Products are also ultra-light for faster room turnover and quick drying so freshly-laundered duvets can be returned to a bed within a matter of hours.
